MAC Talks

This year, we're adding a new format to our break-out sessions! "MAC Talks" are short, powerful presentations from thought leaders on these seminal issues:

- **LOVE and Generational Diversity**
- **LOVE and Multi-Ethnic Unity**
- **LOVE and Justice, Mercy, and Compassion**
- **LOVE and Missional Prayer**
- **LOVE and the Changing Face of Evangelism**
- **LOVE and the Arts and Media**

Choose your category, and in the first afternoon session, hear several MAC Talk presenters – from 5 minutes to 20 minutes each – followed by Q&A. In the second afternoon session, you'll shift into consultation / roundtable mode in the same category to discuss, strategize, and develop action steps to apply to your own church or ministry.

What Is LOVE2020?

The vision of **LOVE2020** is for every man, woman, young person and child in America to be authentically loved by at least one committed follower of Jesus Christ by the end of the year 2020. **LOVE2020** "affinity spheres" are ministry-specific, passion-focused planning teams that are addressing how to foster the pray-care-share lifestyle within their affinity sphere of influence to accomplish the **LOVE2020** vision. Many diverse ministries and denominations are represented in these planning teams. Find out more about **LOVE2020** at the Tuesday night Meet & Greet Dessert Reception.
